

COVID-19 UPDATE

YOUR HEALTH IS OUR PRIORITY!

Updated: February 28, 2022

As of February 28, 2022, wearing masks are now OPTIONAL while in branch. We do ask that you continue to sanitize your hands upon entering the branch and continue to respect the space of other members and staff. Please continue utilizing your MemberDirect and our Mobile App for your Day-to-Day banking needs. You can also call the branch at **306.653.1300** for any inquiries about your account.

Our branch hours remain the same:

Monday, Tuesday & Wednesday	9:30 AM – 4:30 PM
Thursday & Friday	9:30 AM – 5:30 PM

For your safety, we continue the intense cleaning of our branch and providing additional hand sanitizer, utilizing disinfecting wipes to clean surface areas and door handles and educating our employees on best practices recommended by public health authorities.

Public Health Agency of Canada continues to encourage residents to take the preventative measures that have proven to reduce the spread of COVID-19 including wearing a mask if needed, taking advantage of free rapid testing, regular handwashing, staying home when ill and getting vaccinated.
